

ARRADIANCE IS RELOCATING!

28 October 2019

Dear Valued Customers, Suppliers and Global Partners of [Arradiance](#),

We are pleased to inform you that on **09 November 2019**, Arradiance will be relocating to an upgraded, professional and modern facility with easy access in Littleton, MA. The remodeled 10,000+ F² facility provides us with a large clean room and 4,000 F² of manufacturing space.

Please note that our Operations will be on a skeleton crew the week of 11 November to complete the move. However, our email and phone services are already operational and this will not impact our ability to provide technical support to our Customer base. **Please note the change to our main phone number below, effective immediately.** Our emails and website will remain the same.

Our New Address:

Arradiance, LLC.
11A Beaver Brook Road
Littleton, MA 01460
PH: (508) 202-0593

As you may know, Arradiance, founded in 2003, is the world leader in providing cost effective professional atomic layer RD&E systems and technology that can fit on a benchtop.

We would like to express our continued gratitude and sincere appreciation for all of the support and cooperation you have provided over the past 15 years. We look forward to a continued and prosperous relationship, and wish you all the best in the coming year.

If you have any questions, feel free to contact us at any time. We welcome you to visit us at our new location.

Sincerely,

The ARRADIANCE Team

Michael Trotter
CEO
PH: (978) 451-4404
